

# Dezsoe Jeszenszky

Dr. D. J. Jeszenszky PhD, Chief of Spine Surgery, Schulthess Klinik, Spine Center, Zuerich, Switzerland.

Dr. Jeszenszky has extensively trained all aspects of pediatric and adult spine surgery in Bad Wildungen/Germany, and in Karlsbad/Langensteinbach. From 1999-2004 he was Head of Spine Unit, Department of Orthopedic Surgery, Kantonsspital St.Gallen, Switzerland. Since 2004, he is Head of the Spine Unit of Schulthess Clinic Zurich.

Along with other experts in the field he organizes Advance Deformity Meetings, which take place every alternate year in Europe. His research activities and special interests concern the surgery of deformities of the growing spine and the surgery of tumors and trauma of the occipitocervical region.
