

Luca Papavero

Luca Papavero has been trained as a neurosurgeon. He spent over a decade at the University Homburg/Saar working with Dr. Wolfhard Caspar. Since 2007 he is in charge of the Clinic for Spine Surgery, Schoen Klinik Hamburg Eilbek, academic hospital of the Eppendorf University Hospital.

His clinical field of interest is the microsurgical spine surgery for degenerative and tumoral diseases.

He serves AO Spine as Educational Advisor and The European Spine Journal as member of the Advisory Editorial Board.
