

# Mike Hutton

Mike Hutton was appointed as a Consultant Spine Surgeon at The Royal Devon & Exeter Hospital in 2007. Mike has a wide practice in spine surgery undertaking complex spine procedures in all areas of the spine with varied pathological conditions including paediatric and adult spine deformity.

He is currently an elected member of the executive of The British Association of Spine Surgeons as the Audit and British Spine Registry Lead

Mike was also appointed Spinal Lead for the Department of Health Clinically Led Quality and Efficiency Programme and the 'Getting it Right First Time (GIRFT)' Project.

Mike played 400 first class games for Richmond Rugby Club which he captained and gained representative honors with England U21, Middlesex and The Barbarians.

He has run the successful meetings

Dilemmas in Deformity 2012, 2014 & 2016

The Sporting Spine Conference 2015
