

# Bengt Stuesson

Consultant in General Orthopaedics and Spine Disorders at Ängelholm County Hospital for 20 years and since 2011 have worked at Aleris Specialistvård Ängelholm, Ortopedi as a Spine and Pelvic Surgeon.

My experience includes; disc hernia, spinal stenosis, lumbar fusions as PLF and TLIF and degenerative scoliosis, as well specialising in pelvic degenerative surgery.

My experience of sacroiliac fusions began with open sacro-iliac fusions in 1989 until 2010, and since January 2011, I have performed around 200 minimally invasive sacro-iliac joint fusions with iFuse from SI Bone Ltd.

Publications include; 10 original articles on the sacroiliac joint and 3 book chapters concerning sacroiliac movement and sacroiliac joint minimally invasive surgery.

Society membership and faculty involvement includes: Speaking at National and International Orthopaedic and Sacro-Iliac Courses. Member of the Scientific Committee for the 9th Interdisciplinary World Congress on Low Back and Pelvic Pain; "Moving from Structure to Function."

Furthermore, an Honorary Member of the Academic Council of Bukovinian State Medical Academy, Ukraine and member of the Swedish Back Society.
