

# Zubair Tahir

Mr Zubair Tahir is a Consultant Paediatric Neurosurgeon at Great Ormond Street Hospital and Honorary Senior Lecturer at the UCL Institute of Child Health.

Mr Tahir received his medical degree from University of Punjab, Lahore. His Neurosurgery training was at Aga Khan University Hospital, Karachi, during which he gained fellowship of the College of Physicians and Surgeons of Pakistan. He was admitted as a Fellow of the Royal College of Surgeons of England in 2014. Mr Tahir has also received the European Board and World Federation Certifications in Neurosurgery. He spent one year at Alder Hey Children's Hospital, Liverpool to complete his Paediatric Neurosurgery Fellowship followed by a second fellowship in Epilepsy Surgery at Great Ormond Street. Apart from his passion in training and education, he shares specialist interest within paediatric neurosurgery in the surgical management of children with spinal dysraphism, spinal cord tumors, and cranio-vertebral junction anomalies. He also provides antenatal counselling for nervous system congenital malformations.
