

# Thanos Tsirikos

Thanos has worked in the Scottish National Spine Deformity Centre in Edinburgh since the service's inception in November 2004, and is its Clinical Lead. Thanos is a Fellow of the Royal College of Surgeons of England, and has a PhD from the University of Athens, Greece, where he gained his MD in 1994. As well as numerous best paper and best presentation awards, Thanos was finalist at the Scottish Hero Awards 2010 (Caring Hero Category), and was a winner in the Best Doctor category of the Scottish Health Awards 2011, which were sponsored and delivered by the Scottish Government.

Thanos is also Honorary Clinical Senior Lecturer Medical School of the University of Edinburgh, and has been a SAUK Trustee since 2012.
